HOME Investment Partnership Program Introduction and Submission Requirements

The HOME Investment Partnership Program was created under Title II of the National Affordable Housing Act of 1990. The general purposes of HOME are expanding the supply of decent and affordable housing for low to moderate income residents, strengthening the abilities of State and local governments to design and implement strategies for achieving adequate supplies of decent affordable housing, providing financial and technical assistance to participating jurisdictions, extending and strengthening partnerships among all levels of government and the private sector, including for profit and nonprofit organizations, in the production and operation of affordable housing.

The Columbus Consolidated Government is a participant in the HOME Investment Partnership Program and receives HOME entitlement funding on an annual basis. Through this program, activities have been undertaken to enhance ongoing neighborhood revitalization efforts. For the funding period covered by this application, the City will again assess proposals received that address the goals outlined in the City's Consolidated Plan.

All projects must be located within the Muscogee County, Georgia boundaries. Although the City does not know the exact HOME allocation for 2016-2017, we anticipate approximately \$440,000 in HOME funding and \$88,000 in CHDO funding will be allocated.

Project evaluation and funds allocation

Eligible applications will be evaluated by CRD staff based on the priorities of the Consolidated Plan, feasibility of the project, and the capacity of the agency to deliver the proposed project timely. In addition, CRD staff will use the Evaluation Criteria below as a guide in allocating funds. However, this will not be the sole factor in determining whether a project will be funded or how much funding it will receive. Also, there may be applications for projects that satisfy the evaluation criteria and may not be funded. CRD staff will present their allocation recommendations to the City Council in the form of an Annual Action Plan for the HOME Program. Furthermore, the City will seek citizen input on the Plan through public hearings and written comments. Please take pride in completing the RFP application, neatness, orderly and completeness will also be rated. Please follow the application accordingly, in order to facilitate the review of your RFP.
