THE TAX ASSESSORS OFFICE OFFERS EXPANDED HOURS TO ACCOMMODATE CITIZENS' QUESTIONS AND APPEALS

The Tax Assessors Office will have extended hours from Tuesday, August 1 through August 14, 2017. The Tax Assessors Office is located at the Citizens Services Center, 3111 Citizens Way. The Board of Assessors approved the extended hours which are from 5PM to 7PM, Monday through Friday.

The City has confirmed that citizens whose appeals have not been resolved by October 1, 2017, will receive a temporary tax bill indicating the property tax amount due on December 1, 2017. The amount due on December 1, 2017 - the tax due date – will be the lesser of their 2016 property tax or 85% of their 2017 property tax until their appeal is resolved, subject to certain statutory exceptions for frozen homesteaded property and property which has been modified. By utilizing the appeal process, a property owner is not burdened with any property tax increase until the property owner's appeal is resolved.
