PRESS RELEASE - MARCH 4, 2010 – 3:00 PM

Today the Muscogee County Board of Elections adopted a precinct consolidation plan that will reduce costs for taxpayers while vastly increasing availability of voting machines, easier access to voting precincts and reducing wait time for voters. We appreciate the feedback from the voters, poll workers and managers that strengthened these improvements. The plan will be transmitted later today to the U.S. Department of Justice for final review. The consolidation is expected to take effect prior to the July 20, 2010 primary election.
