1. Question: "When will physicals be done? Throughout year or is there a set time frame"?
Answer: Physicals for the Hazmat and High Angle Rope Rescue Teams shall be given annual examinations. All other pre-employment physicals will be done on an "as needed basis".
2. Question: "Are Drug/alcohol tests required for every pre-employment physical"?
Answer: Yes.
3. Question: "If a Chest x-ray is required for pre-employment – where do you want that cost listed"?
Answer: The specification states, "if requested" therefore it should be listed as a separate cost.
4. Question: "On the Fire/EMS/Hazmat, we understand they need certified audiograms – for the police and divers, it just says audio- do these fall in the same specifications"?
Answer: Audiograms are required, but not certified. However, any loss of hearing should be reported to the patient.
5. Question: "Is EEV a requirement"?
Answer: Yes.
