PROPOSALS WILL BE EVALUATED IN ACCORDANCE WITH THE PROCEDURES AS OUTLINED BELOW IN SECTION 3-110 OF THE PROCUREMENT ORDINANCE. ALL PROPOSALS WILL BE KEPT CONFIDENTIAL.

3-110 Competitive Sealed Proposals (Competitive Sealed Negotiations) For Equipment, Supplies or Professional Services - \$10,000 and Above

(1) Conditions for Use

When the Purchasing Division Manager determines that the use of competitive sealed bidding for any procurement is either not practicable or not advantageous to the City, a contract may be entered into using the competitive sealed proposals (negotiation) method. In addition, the competitive sealed proposal process shall be used for the procurement of professional services.

The competitive sealed proposal process may be used for procurements with an estimated total cost less than \$10,000, if deemed to be in the best interest of the City. If the total cost can be determined, the authority to approve such solicitations will be as prescribed by Article 3-104, Purchasing Limits. If, due to the required services, a total cost cannot be determined then the award recommendation will be approved by Council.

A. Request for Proposals

Proposals shall be solicited through Request for Proposals. The Purchasing Division shall establish the specifications with the using agency and set the date and time to receive proposals. The request for proposal shall include a clear and accurate description of the technical requirements for the service or item to be procured.

B. Public Notice

Adequate public notice of the Request for Proposals shall be given in the same manner as provided under the section titled "Competitive Sealed Bids."□

C. Receipt of Proposals

Proposals must be received by the deadline date established. No public opening will be held. No proposals shall be handled so as to permit disclosure of the identity of any offeror or the contents of any proposal to competing offerors during the process of discussion. A register of proposals shall be prepared as part of the contract file, and shall contain the name of each offeror, the number of modifications received (if any), and a description sufficient to identify the item offered. The register of proposals shall be open for public inspection only after contract award.

D. Evaluation Factors.

The Request for Proposals shall identify all significant evaluation factors (including price or cost) and their relative importance. Mechanisms shall be established for technical evaluation of the proposals received, determinations of responsible offerors for the purpose of written or oral discussions, and selection for contract award.

E. Discussion with Responsible Offerors and Revisions to Proposals

As provided in the Request for Proposals, discussions (negotiations) may be conducted with responsible offerors who submit proposals determined to be reasonably susceptible of being selected for award, to assure full understanding of and conformance to the solicitation requirements. All qualified, responsible offerors shall be given fair and equal treatment with respect to any opportunity for discussion and revision of proposals, and such revisions may be permitted after submissions and prior to award for the purpose of obtaining best and final offers. In conducting discussions, there shall be no disclosure of the identity of competing offerors or any information derived from proposals submitted by competing offerors. If only one proposal response is received, then the award recommendation shall be to the single offeror, if the offeror meets all requirements.

F. Award.

After negotiations, the award recommendation must be presented to Columbus City Council for final approval. Award will be made to the responsible offeror whose proposal is determined to be the most advantageous to the City, taking into consideration total cost (if determined) and all other evaluation factors set forth in the Request for Proposals.

After Council approval, a contract based on the negotiations (if negotiations were necessary) will be drawn and signed by all necessary parties. If Council does not approve the award, further negotiations may take place with the recommended offeror or negotiations will begin with the next most qualified offeror. The contract file shall contain the basis on which the award is made.

After contract award, the contract file will be made public. Offerors will be afforded the opportunity to make an appointment to review the contract file.

DO YOU HAVE QUESTIONS, CONCERNS OR NEED CLARIFICATION ABOUT THIS SOLICITATION?

If a vendor visits or calls the Purchasing Division with such questions, he or she will be instructed to submit the questions in writing.

ALL CONTACT CONCERNING THIS SOLICITATION SHALL BE MADE THROUGH THE PURCHASING DIVISION. Vendors shall not contact department heads or using agencies with questions about solicitations. You must submit the written question to the Purchasing Division. If it is necessary that a technical question needs addressing, the Purchasing Division will forward such to the using agency, which will submit a written response.

The Purchasing Division will forward written responses to the respective vendor or if it becomes necessary to revise any part of this solicitation, a written addendum will be issued to all vendors.

THE CITY IS NOT BOUND BY ANY ORAL REPRESENTATIONS, CLARIFICATIONS, OR CHANGES MADE TO THE WRITTEN SPECIFICATIONS BY CITY'S EMPLOYEES, UNLESS SUCH CLARIFICATION OR CHANGE IS PROVIDED TO THE VENDORS IN WRITTEN ADDENDUM FORM FROM THE PURCHASING DIRECTOR.

Upon request of the contractor, the Purchasing Division Director shall ascertain the facts and extent of such failure, and, if such director determines that any failure to perform was occasioned by anyone or more of the excusable causes, and that, but for the excusable cause, the contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly.

S. TIME FOR CONSIDERATION:

Due to the evaluation process, proposals must remain in effect for at least **120 days** after date of receipt.

T. CONTRACT AWARD:

Award of this contract will be made in the best interest of the City.

**SPECIFICATIONS FOR
EMERGENCY CLEAN-UP AND DEBRIS REMOVAL
(ANNUAL CONTRACT)**

I. INTRODUCTION

Columbus Consolidated Government is requesting proposals to provide services for emergency clean-up and debris removal that may result from natural (storms, fallen trees, etc.) or man made disasters (terrorism, remnants of destroyed buildings, etc.) on an “as needed” basis. Services would include removing debris from public Rights-of-Way or specific locations, transporting the debris to a designated location (approximately ten miles distance) and disposing of debris in accordance with local, state, and federal laws.

The scope of work to remove debris from a man made disaster may require some demolition, loading, transporting and disposing of said debris at a designated location.

Contractor must provide equipment to remove blown down trees in the event of a major storm. The City does not have the resources to do a large scale clean up from a major storm, or a possible disaster from a terrorist attack. Therefore, having a contract in place for contingencies will help to get the clean up done expeditiously. The Contractor shall be required to maintain records as directed by the City, of work done. The Contract will provide copies of said records to the City as proof of work done when requesting payment and to provide the City with data for reimbursement from Federal Emergency Management Agency (FEMA).

Notice of intent to renew will be given to the contractor in writing by the City Purchasing Manager, normally sixty days before the expiration date of the current contract. This notice shall not be deemed to commit the City to a contract renewal.

It should be noted that multi-year contracts may be continued each fiscal year only after funding appropriations and program approval have been granted by the Council of the Consolidated Government of Columbus, Georgia. In the event that the necessary funding is not approved, then the affected multi-year contract becomes null and void, effective July 1st of the fiscal year for which such approvals have been denied.

For the protection of both parties, either party giving 30 days prior notice in writing to the other party may cancel this contract.

IV. GENERAL CONTRACT INFORMATION

The Contractor will not be required to pay dump fees when the contract is activated. However, when the Contractor is working on other business outside the contract then normal tipping fees will apply unless waived in advance by the Director of Public Services.

If agreeable to both the contractor and the City, the contract unit price changes, as a result of this formula, shall automatically become effective on upcoming anniversary of the contract and shall be binding on the contractor for the subsequent contract year.

If for any reason the contractor has a price increase that exceeds the Consumer Price Index (CPI) and exceeds five percent (5%) the Purchasing Manager will evaluate the increase on a case-by-case basis. The City and the Contractor will have the option to decline any adjustments. If either party decline approval of the adjustments, the contract will be considered cancelled on the scheduled expiration date of the contract.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
