FROM:

RE: Recommendation- Encroachment By A Portable Structure On An Easement Be Allowed

ADDRESS: _____

This is to advise that although the _____ encroaches upon an easement, it is a free standing structure and portable, it can be removed in the event there is a need to repair, replace, or install facilities within the easement, or if the structure causes an obstruction of the easement for its intended purposes.

I recommend that this portable structure be allowed to remain subject to the execution of the agreement.

AGREEMENT

The undersigned acknowledges that this portable structure encroaches upon the said easement and its convenient use and agrees that if the City allows the encroachment it shall not prejudice any rights the City now has nor present any liability to the City for any damage to the structure. Further, said structure shall be removed at the Owner's expense when an event requires its removal.
