MAYOR'S COMMISSION ON NEW GOVERNMENT AND JUDICIAL BUILDING TO HOLD FOUR SIMULTANEOUS OPEN HOUSE FORUMS TUESDAY, SEPTEMBER 19

Mayor Teresa Tomlinson's Commission on the New Government and Judicial Building will be hosting four simultaneous public open house forums on Tuesday, September 19 from 5:30pm to 7:00pm. The open house forums will be held in the following four locations for the convenience of our citizens and to maximize participation from all sectors of the community. Those forum locations are:

- Government Center (Plaza Level), 100 E 10th Street;
- Citizen Services Center (Community Room), 3111 Citizens Way;
- Frank Chester Rec Center, 1441 Benning Drive, and;
- Psalmond Rd. Rec Center, 6550 Psalmond Road.

Citizens are invited to come and view the proposed concepts and information for either renovating, rebuilding or otherwise addressing the current Government Center building located at 100 – 10 Street, in the Uptown area. A representative from the city along with other commission members will be on site at each location to answer questions. Attendees will be asked to provide written comments and to rank their preferred option for the future of the existing Government Center. (Comment cards and pens will be provided). The resulting response cards will be added to the public comment section of the Commission's final report and advisory proposal to Council.

Mayor Tomlinson's New Government and Judicial Building Commission has been meeting since February 2017 to discuss what changes, if any, should be made to the current Government Center built in the early 1970s. Citizens can view the minutes and reports of the committee on Google Docs at: <https://drive.google.com/drive/u/0/folders/0B1rPDBUi-6VyTS1XYVBKMTFkUzg>.
