RULES FOR CHECKING ID's

1. Every player must show valid picture identification before they will be allowed to enter. (Picture ID's may include (but are not limited to): drivers license; work ID card; state ID cards; college ID card).
2. If a player arrives late for a game, he must present his ID to the official scorer before checking into the game. This shall be done in between quarters or at the half only. You may not check in during a time out or dead ball.
3. It will be beneficial to you to learn who the basketball staff is at each playing site. These are not the people who work in the gyms every day. The basketball staff can help you speed up the ID check process. Please have your team ready to produce their ID's immediately following the buzzer of the previous game.
4. The penalty for entering the game without showing your picture ID is forfeiture of the game as that player is now considered illegal.
