

**Georgia Department of Transportation
To Hold
A Location and Design Public Information Open House
For P.I. 0011434
Muscogee County**

On Tuesday, August 29, 2017 at the Cusseta Road Child Development Center located at 4150 Cusseta Road, Columbus, Georgia, 31903 the Georgia Department of Transportation will hold a Public Information Open House concerning the project listed above.

From approximately just east of Fort Benning Road to Antietam Drive, this project proposes to construct improvements along Old Cusseta Road and Cusseta Road including a new interchange for Interstate (I)-185 and Old Cusseta Road. The project would begin just east of the Cusseta Road and Fort Benning Road intersection in anticipation of the roundabout that will be constructed prior to this project. The proposed project would add a flush center turn lane, sidewalk on the north side, a 10-foot wide multi-use path on the south side throughout the project corridor without adding new travel lanes (corridor would remain one travel lane in each direction). A roundabout is proposed for the intersection of Cusseta Road and Old Cusseta Road. A new interchange is proposed for Old Cusseta Road and I-185 with roundabouts located at each exit and entrance ramp (on Old Cusseta Road). Farr Road will require modifications to relocate away from the newly proposed I-185 entrance/exit ramps. The project would end at Antietam Drive. Rights-of-way and easements would be required to construct the proposed project.

The purpose of this Location and Public Information Open House is to provide the public with an opportunity to view the project, ask questions, and comment on the project.

The Open House will be held from 5:00 to 7:00 pm. It will be informal, and the public is invited to attend anytime during these hours. There will be no formal presentation. A court reporter will be available to allow the public an opportunity to make verbal comments about the project.

Americans with Disabilities Act (ADA) Information:

The meeting site is accessible to persons with disabilities. Accommodations for people with disabilities can be arranged with advance notice by calling Harland Smith at 706-646-7566.

Written statements will be accepted concerning this project until Tuesday, September 12, 2017. Written statements may be submitted to:
